Virginia Beach, VA

April 22, 2005

Ashley Jeanne Corby was presented with the Best All Around Child Award from her school, North Landing Elementary. There were approximately 50 children out of 500 or so in the Before/After school programs across the city that received this Award. It is given for showing leadership ability, good manners, respectfulness and honesty. Her parents, Ron and Mary Corby and her brother, Austin are very proud of her. They commented that the ceremony was very nice. Congratulations Ashley.
