

## Troy Newkirk Citizen of the Month

March 2006

Troy & Principal Monger

April 2006

Troy was Citizen of the month for March! Teachers choose a student in their class that has been helpful, respectful, has good manners, and does their school work.

WE ARE SO PROUD OF HIM. Heard some very high praises from his teacher about all his progress this year.

Troy went from all D's last year to A's & B's, Honor Roll all year long! He is now getting help with his reading comprehension and it has just let him soar! Way to go Troy!

## America Cancer Society Walk - Ashley Corby & Troy Newkirk

June 9, 2006

I am very, very proud of these two. My company's charity this year was the American Cancer Society again. Ashley, Troy, and I were team members. On June 9<sup>th</sup> we went out to Greenbrier Middle School and walked around the track for three hours in memory of those who lost their life to cancer and in honor of those who are survivors of cancer. All ages were there. They had a survivor & caregivers walk, which we stood by and cheered them on. Every team was selling items and raffle tickets to continue raising money. Ashley & Troy helped sell our "Cancer Sucks" shirts, bumper stickers, and pink & blue ribbon pins. There was a lighting of the luminaries and a walk after that to reflect on why we were there.

We also signed the American Cancer Society Banner. I am very proud of these two. They went in the rain with excitement and lots of energy. We are ready to do it again next year with a possible spending the night (walk Friday 6:30pm through Saturday 2pm). Let's give a cheer for the BAE Systems team, which raised over \$10,000. A total of over \$20,000, because our company matches what we raise.
